Dear Ms. Pfister:

Thank you for your application to become a member of the El Dorado County Charter SELPA.

The designated committee reviewed your application and found it to contain all the required elements. In addition, your application successfully addressed all special education components. The submitted financial documents were determined to be complete, as well.

Based on this information, and our contacts with your current SELPA, we have notified CDE to admit the Dixon Montessori Charter School to the El Dorado County Charter SELPA effective July 1, 2010.

We will contact you once California Department of Education has approved our additions. Contact me at (530) 295-2228 if you have any questions. Thank you again for your interest and we look forward to a successful working relationship with you and your charter school.

Sincerely,

Emi Johnson
SELPA Director
