## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

##### Parent Teacher Organization (PTO)

- We believe strongly that parents and guardians play an integral role in maintaining the culture and climate of our school community which fosters the success of all students. Dixon Montessori Charter School has an active and dynamic PTO. The PTO exists for the betterment of Dixon Montessori Charter School students and meets monthly. All parents and staff of DMCS are welcome and encouraged to participate in the PTO. The PTO believes that by working together, parents and school staff can greatly enhance the school program and learning opportunities for all students. This will be accomplished when parents, teachers and school administration are actively involved with planning and providing for student projects, programs and activities that contribute to a well rounded education and the welfare of all students.
- Historically the PTO has sponsored guest presenters, purchased equipment for the classrooms, held a Fall Festival, organized an annual dinner/auction and provided resources for special art, music and science opportunities.
- The PTO fundraises to help with teacher requests and other financial needs that arise within the school. Each year the PTO organizes a few fundraisers including a Scholastic book fair, Christmas wreath sale and an annual dinner and auction held in the springtime. This event includes auctions, both live and silent, dancing and a catered dinner.
- The PTO meets in-person from 6:00-7:30pm on the second Wednesday each month at DMCS.
- The PTO can be reached via email at [pto@dixonmontessori.org](mailto:pto@dixonmontessori.org)

##### Charter School Advisory Committee (CSAC)

- The Charter School Advisory Committee (CSAC) was created to formalize and encourage stakeholders to provide input, support, and review of processes and procedures to improve the learning environment and student achievement. The CSAC Organization is facilitated by the school director with each management team member chairing or facilitating a subcommittee. Eligible membership includes teachers, parents, guardians and interested community members.

This year we will be holding three CSAC meetings from 5:30-6:30 PM on the following dates:

- September 8th
- December 3th
- May 20th

## 2021-22 Opportunities for Parental Involvement

### Parent/Guardian Surveys

- DMCS sends out at least three parent/guardian surveys each year (one per trimester). Parents provide information about the basic conditions of learning, state standards, parental involvement, pupil achievement, pupil engagement, school climate, course access, and other pupil outcomes.
- Other surveys are sent out during the year when needed.

### Parent Volunteers

- Parents and guardians are encouraged to volunteer for twenty hours each school year. DMCS believes that strong parent participation is beneficial to our whole community. Volunteers help in classrooms, with cross walk duties, during field trips, at our community events, at campus clean up days, and more.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

### Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

Dixon Montessori Charter School maintains an accurate and up-to-date Emergency Response Plan (formerly Comprehensive Safety Plan). Contained in the plan are the school-adopted emergency protocols including specific procedures for fire, earthquake, disaster and intruders. The plan lists specific staff members and their assigned roles, duties and contact information. The Emergency Response Plan also includes site specific input from staff and community through the Charter School Advisory Committee and Leadership before being approved by the school board.

## Professional Development

Dixon Montessori Charter School offers ongoing professional development opportunities to all staff. The school LCAP/Strategic Plan offers a wide range of support across all academic areas. Professional Development offerings take place before, during and after school and during the summer. Site wide Professional Development days have been funded to support professional growth. Staff Meetings, Common Planning Time meetings, PLC meetings, Teacher Rep meetings, Sped meetings, and PBIS meetings are all avenues to provide professional development workshops for our staff. Even during the pandemic, DMCS prides itself in moving forward with professional learning.

Several opportunities for Professional Growth were offered to support the shift in teaching to Virtual/ Hybrid Learning. We altered our model to support the Health and Safety Guidelines by providing Remote Learning through Zoom to inform staff on COVID updates and a host of new technology to support learning. Topics included digital teacher tools, Zearn Math, Mystery Science, Canvas, and social emotional learning support. Professional Learning around Systems such as Powerschool and the Renaissance STAR assessment tools were designed to support the ongoing practice of using formative and summative assessments to drive instruction and support our students. Teachers were given the choice to pursue their own learning plan once district-wide mandatory topics were satisfied. Even within the mandatory topics there was choice provided to meet the various needs of our diverse staff.

Our staff meeting times were increased from bi-monthly meetings to weekly Zoom sessions to support the teacher transitions between remote learning, hybrid, and in person learning. Supports for teacher specific needs including tech and social emotional training were available upon request. All staff had access to virtual training videos and lessons on our "Pajama PD" document. This let teachers view lessons and how to information in their own time. All staff also attended live virtual site staff meetings. Grade Level and subject area Canvas pages were established to support teacher collaboration. Ongoing Professional Learning support for certificated, classified and management staff as well as our parent/caregiver community was supplemented with videos, slideshows, and 'how to' documents made available on our website. These provide assistance as needed for teacher growth and support for all members of our DMCS community. Our District Strategic Plan/Local Control Accountability Plan identifies goals and practices that strengthen instruction and support Professional Development.
