

Enrollment FAQ 2024/2025

Does my child qualify for kindergarten or TK?

Kindergarten - your child must turn 5 by 9/1/24.

TK - your child must turn 5 between 9/2/24 and 6/2/25.

How can I make sure that my child will be in the enrollment lottery?

As long as your Enrollment Application is turned in between 1/9/24 and 2/2/24 (Open Enrollment) your child will be a part of the lottery. You will be given an enrollment code at that time. The code will be associated with your child's name.

How does the enrollment lottery work?

-Enrollment codes are drawn, from the applications received during Open Enrollment, for each grade level.

-They are drawn in the following order:

-children of staff

-students who already have a sibling enrolled in DMCS

-Dixon residents

-applicants who live outside of Dixon

-If there are openings in the grade level, they are filled and then the rest of the codes/names which are drawn are put on a numbered waiting list - we don't give out info about what number your child is on the list. If there are no openings in that grade level, all names are put on the waiting list.

-When we have more openings, in any grade level, we call the next name on the waiting list. This can happen anytime after the lottery - all the way up to the first week of the new school year.

-The waiting lists do not roll over to the next school year.

When will the lottery take place?

9am on 3/6/24

When will the lottery results be posted?

After 5pm on 3/8/24

How will I know if my child received a spot?

You will NOT receive a call or email. The results will be posted on our website and on the bulletin board in front of the school. You will need to look for the enrollment code that was given to you when you turned in your Enrollment Application.
